Dear Chairman ██████████

God's greetings!

Please find the enclosed essay "*Be Zealous and Repent*" which examines some of the errors that have crept into the church, as well as some deficiencies.

I request that the issues described within the essay be addressed by the leadership of the congregation.

If any truth is found in the content of the essay, then give thanks to God! If anything false is found, I implore you to correct me in the love of God's Word.

Please acknowledge you have received this content and your time-line for addressing the issues described.

I would be very happy to assist you in this process in any way – just let me know and feel free to contact me at any time.

In God's peace and love,

Brian L. Ruuska
